2 easy options to enroll your patients

Once you have identified an appropriate TROGARZO® patient, here are the 2 ways to enroll them in the THERA patient support® program:

Fax 1-855-836-3069

Scan the QR code to complete the enrollment form and then fax it to us.

Online prescribing and registering through the Physician Portal

- Scan the QR code to access the portal
- Register at tps.aspnprograms.com
- Upload signed patient consent form
- Upload chart notes and track patient real-time enrollment status
- Obtain coverage information and view product shipment information

Important note: To ensure your patients can immediately get started on TROGARZO® therapy, it is important to get your patients' signature/consent on the last page of the enrollment form

After enrollment in the program, a THERA Patient Care Coordinator will contact your patient to welcome them and start the process of coverage and reimbursement investigation. Once approved, THERA patient support® will then coordinate with specialty pharmacies in their insurance network, so that your patients can quickly receive and start their treatment.
